Proceeding Under Section 3008(h) of the Resource Conservation and Recovery Act

I wish to advise you that, due to a corporate reorganization, the above-referenced asset has recently been transferred from Rhone-Poulenc, Inc. (RPI) to Rhodia Inc. All involved personnel from RPI have been retained on this matter and all of the applicable provisions associated to the above-referenced Administrative Order on Consent (AOC) have been communicated as appropriate and, it is my understanding, that they will be scrupulously adhered to.

If you have any questions or concerns with this issue, please feel free to call or write to me at your convenience.

Sincerely yours,

Richard Torrito.
